They Began to Report All Things....

December 1, 2010

"When they had arrived and gathered the church together, they began to report all things that God had done with them and how He had opened a door of faith to the Gentiles" (Acts 14:27).

The Apostle Paul made it a practice of reporting the results of his mission trips to those who had supported him. In this passage, he and Barnabas reported to the church at Antioch about the First Missionary Journey.

This report from French Bible Missions is the last one for the year 2010. In December 2009 we reported that we had graded 220 lessons the previous month. We just ended November 2010 by grading 438 lessons.

The list of those who help with this program is also growing. We now have five very dependable graders for the lessons, plus another sister who does secretarial work, and another sister who devotes herself to typing tracts and articles into the digital format. Jason Hopkins (a member at Crystal Lake) is reorganizing the financial side of the program. We are grateful for all these Christians who are involved in the work.

We continue to get messages from the students concerning their gratitude at being able to study the Bible free of charge. One student sent me this message two weeks ago (my translation from her French): *"I say thanks to the Father for the blessing that He gives me to cast my eyes constantly on His word. May God enlarge your limits and make you an excellent soldier in His field! May God support you constantly; may He make your enemies your footstool!"*

I will make two personal reports on the work during this month: at the Crystal Lake congregation, 6:00 p.m., Dec. 19, and at the Old Union Church of Christ, 2505 Hartsville Pike, Castalian Springs, Tennessee, 6:00 p.m., Dec. 26.

We have many financial supporters who keep the work going. Every contribution, no matter how small or large, is deeply appreciated. We know that God will reward you for your generosity. Our greatest need for the new year is for more support for our brother Bruno Regimbald, in Montréal, Canada. He is working with students who want the courses by regular mail and who live outside the U.S. We are hoping to raise at least \$50.00 a month to help with his postage.

At the lower left, we have a photograph of a new student and his family from Côte d'Ivoire. May God continue to bless you as you help carry out the Great Commission. Yours in Christ.
